AUGUST 22, 2013

22nd COREN Engineering Assembly Special Edition

22nd Engineering Assembly

Date: 20th—21st August 2013

Venue: International Conference Center, Abuja

Theme: Accelerating National Development: The Role Of The Engineering Profession In Nigeria

L-R: Governor of Katsina State Dr. Ibrahim Shehu Shema CON, COREN President Engr. K A. Ali FNSE, Permanent Secretary Ministry of Works Dr. Abubakar Koro Muhammad & the Deputy Governor of Rivers State Engr. Tele Renner

Brief History of the Engineering Assembly

The forebears of the Engineering Profession, Principal Officers of COREN, in their wisdom, considered the need for Engineering Personnel to regularly converge and discuss professionally, socialize and reinforce professional attachment for the growth of engineering and the nation.

Thus, the 1st Engineering Assembly was held in 1993 in Lagos. With the inauguration, subsequent Assemblies took their places in various cities including Kaduna, Benin-City,

Former ES of NSE Engr. Fyne Chima Ogolo FNSE (right)

R-L: Engr. Otis Anyaeji FNSE, Engr. Ben Akaakar, Engr. Anthony Abolarin.

Port Harcourt, Abuja even as some for the Assemblies were still held in Lagos. Considering the strategic location of Abuja as the seat of the Federal Government and in response to popular demand of Engineering Personnel, Council decided to hold the last nine Engineering Assemblies in Abuja.

However, Engineering Personnel have continued to clamour for the movement of the Assembly outside Abuja in order to get closer to the Personnel at the grassroots. This informed the decision to hold the 20th Engineering Assemblies in three different locations across the country, namely, Ibadan, Kaduna and Enugu.

In line with the objective of the Assembly, the themes have been carefully selected to reflect contemporary issues on the development of the country.

POINT ENGINEERING LIMITED
